Des Plaines Material & Supply, founded in 2004, is a leading supplier of landscaping materials, sewer, and water supplies, and on-site concrete in the Chicagoland area. We are a fast-growing company that has grown exponentially throughout the years. We pride ourselves on great customer service and we make our customers' complex projects simple and successful. We are looking for a self-motivated individual with an entrepreneurial spirit to join our team. We offer a competitive package with excellent benefits.

We are now hiring a full-time **Diesel Mechanic**. The individual needs to be highly organized and communicate effectively. The primary duties include performing diagnostic testing to find faults, analyze results, repair/replace engine, steering, transmission, braking, lighting systems and other related components.

**Essential job duties and responsibilities:**

- Analyze/troubleshoot and repair diesel vehicles, commercial motor vehicles and equipment
- Perform preventative maintenance on diesel vehicles, commercial motor vehicles and equipment
- Maintain parts & inventory
- Maintain detailed records of serviced vehicles
- Test drive vehicles to gauge performance
- Adhere to an inspection procedure checklist (Annual DOT Inspection) on Commercial Motor Vehicles
- Ensure cleanliness of the shop
- Supervise other shop mechanics
- Regular attendance and physical presence at work is an essential function of this position
- Other duties as assigned

**Qualifications:**

- Extensive knowledge of all aspects of diesel vehicles maintenance and repair.
- Proficient with related computer diagnostic equipment and software.
- Excellent analytical and problem-solving skills.
- Ability to visually diagnose mechanical issues.
- Ability to read service and repair manuals.
- Ability to read work orders.
- Ability to perform repairs in a timely fashion.
- Proficiency with maintenance and repair tools
- Highly organized and able to multitask
- Attention to detail

**Certifications:**

- Certified Diesel Tech preferred
- A/C Certified preferred

- DOT Air Brakes Certified preferred
- Knowledge of diagnostic testing on diesel vehicles and engines
- Electrical (wiring) knowledge preferred.
- Aptitude for mathematics and science
- Advanced knowledge of diesel engine components
- 

**Physical Requirements:**

- Lift/Carry up to 55 pounds frequently.
- Lift up to 100 pounds occasionally

**Pay type:**

- Starting pay at \$50,000/year-
